

Outline of ACCT Strategic Plan

DRAFT - March 24, 2004

Vision

More rides to a greater number of persons with special needs

Mission

Facilitate a state-wide approach to coordination and support the development of community-based coordination transportation

Goals

1. Improve special needs transportation efficiency and effectiveness
2. Reduce waste and duplication in transportation service delivery
3. Improve ability for people with special transportation needs to access essential services

Objectives

1. Identify and Address Barriers
2. Focus on Results
3. Increase Advocacy
